

Pre-AP/IB Application Agreement

I understand that Pre-AP/IB courses are extremely rigorous and demanding. If I am approved for one or more Pre-AP/IB classes, I agree to devote sufficient study time to maintain high standards. I also understand that once I am accepted into the Pre-AP/IB class, I must remain in that class for a minimum of three (3) weeks. If I choose to move from a Pre-AP/IB class to a lower level section of the same course, I must do so no later than five (5) days after the first six-week report card has been issued. The grade earned will remain on record, but not be on a five point GPA scale. I also understand that if I do not move to a lower level course within five (5) days after the first six-weeks report card has been issued, I will be required to remain in the Pre-AP/IB class for the rest of the semester. I understand that I may be withdrawn from any Pre-AP/IB class in which my semester average falls below 80. My Pre-AP/IB performance in the 9th and 10th grades will be evaluated before I am admitted into the AP/IB program my junior year.
